

Cabrillo High School Yearbook

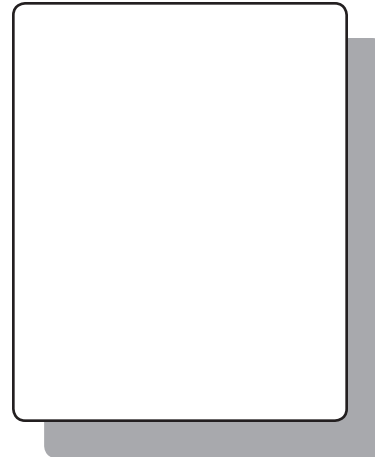

Senior Portrait Size

(portraits must be vertical)

Overall size of the senior portrait color print must be 2-1/8 x 2-9/16 inches!
Don't cut it smaller.

However, the actual *image area* that will be used in the yearbook is 1-3/4 x 2-3/16 inches

These are Cabrillo HS guidelines. Our Seniors are in color. A “wallet size” print may work OK in some cases, but keep in mind that the image area that will appear in the book is 1-3/4 x 2-3/16 inches and our publisher needs a print slightly bigger, 2-1/8 x 2-9/16, or larger, to work with. Pictures cannot be enlarged or reduced. If submitting your images in digital format, please make sure the image is at least 240 dpi resolution in JPEG format.

Senior Portrait deadline this year will be
November 16th, 2007
